REQUEST FOR CERTIFICATE OF CORRECTION

Certificate of Correction Branch
Commissioner for Patents
P.O. Box 1450
Alexandria, Virginia 22313-1450

Sir:

It is requested that a Certificate of Correction be issued correcting printing errors appearing in the above-identified United States patent. One copy of the text of the Certificate in the suggested form is enclosed.

As none of the errors listed is due to Applicant's mistake, no fee is necessary in connection with this Certificate. As discussed with the Office, a reprint of the above issued patent is to be made with the recitation of all five inventors, i.e., the originally-named inventors Messrs. Sturgeon, McCormick and Neustroski, along with inventors Messrs. David Wells and Luc Desbonnets, added post-filing to reflect inventorship in the claimed invention.

Regarding the signature for one of the inventors, John Russel Neustroski, deceased, his daughter and trustee, Johanna Mary Neustroski, has the requisite authority to sign on his behalf.

Issuance of the Certificate of Correction would neither expand nor contract the scope of the claims, and re-examination is not required.

Respectfully submitted,

VAN DYKE LAW
